WOMEN'S HEALTH COURSE - LONDON INTRODUCTION SEMINAR- 18 AND 19 JUNE 2022 REGISTRATION FORM

Name/Surname.....

Address:

.....

Phone/Mobile Number:.....Email address.....

Graduated from.....Date of graduation:

I am already enrolled on the Women's Health Course – October 2022

I have deferred to 2024

I am not ready to commit to the course but I am interested in Women's Health

I wish to register for the following seminar.

Saturday 18 and Sunday 19 June 2022

Prof Renzo Molinari and Rebecca Marchat

Venue: The Alexander Techniques, 13 The Boulevard, Imperial Wharf, London SW6 2UB

Saturday 18 June 2022

Speaker: **Prof Renzo Molinari**

Topic: Introduction to the body organisation

How anatomy and biomechanics are supporting, promoting physiological functions

The day will introduce the Body inner Intelligence looking at three respiration systems. Some techniques will demonstrate how to apply them in a practical and clinical setting.

Sunday 19 June 2022

Guest speaker **Ms Rebecca Marchat**

This one-day lecture is designed to introduce the Cranial Osteopathic concepts/philosophy and its importance in a holistic approach of osteopathic treatment.

The aim is to familiarise the practitioners with the primary respiratory mechanism and the cranial rhythmic impulse. This course will provide an opportunity to develop the kind of sensitive touch used in craniosacral therapy and explore practically some tools of diagnosis and treatment.

Please return this form to corinnejones.mih@gmail.com

Thank you and see you soon!
